

## Release and Waiver – Avalon Riding Academy, Inc.

Under Florida law, an equine sponsor or professional is not liable for any injury to, or death of, a participant in equine activities.

The undersigned person or parent/guardian(s) agrees to assume all responsibility and risk from the use of riding horses while taking lessons or doing general practice at Avalon Riding Academy, Inc. Further, the undersigned person/guardian(s) agree to hold Avalon teachers, instructors, trainers, staff, and employees harmless from all damages or liability for any injury to person(s) or property arising from riding lessons, general practice, boarding, equipment, and presence in the stables or grounds of Avalon Stables. The release includes activities at remote locations, such as horse shows, trail rides, and general riding around the farm and nearby premises'. The undersigned person or parent/guardian(s) acknowledge that horseback riding and other associated activities are inherently dangerous. Although not likely, risk of injury is possible.

The undersigned person or parent/guardian(s) consent to the performance of any necessary medical treatment in the case of injury. Such medical includes, but is not limited to, x-rays, physical examination, anesthetics, medical and surgical diagnosis and treatment and or hospital service. This medical consent applies to any activities at Avalon Riding Academy, Inc. or activities under the authority of Avalon at remote locations (such as horse shows, riding around farm, or other activities including the feeding of treats).

It is understood that this consent is given in advance of any specific required diagnosis or treatment. It is given to encourage the staff at Avalon, hospital staff, and physicians to exercise their best judgment regarding the requirement of medical diagnosis or treatment. In the interest of obtaining the quickest possible medical treatment, the undersigned agrees to pay all fees for doctors, hospitals, ambulances, and any other medical charges reasonably or necessarily incurred.

Helmets are required to be worn by any student under the age of 18 and encouraged by the instruction of all Avalon representatives. Adults that chose to not wear a helmet, take full responsibility for this choice and accept any and all medical responsibility associated with said choice. The choice to wear a helmet includes all remote and nearby locations. The undersigned specifically releases Avalon Riding Academy, Inc. and its teachers, instructors, trainers, staff, and employees from any liability resulting from any injury or accident that might have been avoided through the use of a helmet.
